

# Ali mohammad azizi

Born: 1372/01/30

09109742652

alimohammadazizi72ashkbos@gmail.com

*A member of agricultural engineering system and a student of genetics and plant breeding.*

*Ability to work in a team spirit and interested in plant breeding projects in classical and molecular basins. Ability to implement plant breeding plans.*

## **EDUCATION**

---

- Bachelor's Degree: Payam Noor University of Arak (1391-1395)
- Master's degree: Shahed University of Tehran (1395-1398)
- PhD degree: Sari University of Agricultural Sciences and Natural Resources (1399)

## **Articles and theses**

### **Master's thesis:**

Investigating the genetic diversity of purslane in the northern part of the country using EST-SSR molecular markers

### **Articles:**

Investigating the genetic diversity of purslane in the northern half of the country using EST-SSR molecular marker (<https://civilica.com/doc/1028916>)

Investigating the genetic diversity of purslane in the northern part of the country using morphological traits (<https://civilica.com/doc/1028915>)

### **PhD thesis**

Investigating the possibility of producing double haploid lines through microspore cultivation in commercial bell pepper hybrids

## **PROFESSIONAL EXPERIENCE**

---

- Working in the Research Department of the Medicinal Plants Research Institute of Shahed University for 18 months
- Supervisor of wheat purchase in Mazandaran province under the supervision of the general department of grain in the crop year 1399-1400 and 1400-1401.
- Cultivation of all kinds of plants, including cereals, fodder plants, and ornamental plants.
- Supervisor of planting rice and wheat in Mazandaran province in the crop year 1399-1400 under the supervision of Basij Engineers..

## **SKILLS**

---

- The ability to extract DNA
- Primer design and molecular work
- Carrying out crossbreeding in plants
- Implementation of breeding and cropping projects in plants
- Working with statistical software for statistical data analysis

## **INTERESTS**

---

- Literature (poetry and story writing)
- Theater
- Psychology
- Football and ping pong sports
